OLD-WORLD FEEL WITH CONTEMPORARY FLAIR

The classic art of making bricks receives a modern update with Glossy Brick by Ragno. Slight variations in surface pattern provide an old-world feel while the glossy finish adds a contemporary flair, naturally moving the eye across the space. Neutral hues of white, beige, gray, blue and black mix beautifully together or create subdued monochromatic schemes, and on-trend 4" x 12" tiles can be used horizontally or vertically in staggered brick patterns. At home in both traditional and modern spaces, Glossy Brick adds artistic element to any project.
