COLORBODY™ PORCELAIN TILE | RECTIFIED | 3D PRINTING TECHNIQUE

RAGNO®

ARTFULLY REIMAGINED™

IMPART AGELESS RUSTIC CHARM TO CONTEMPORARY ENVIRONMENTS

Reflecting life's rich experiences, Railwood's high-contrast reclaimed wood look imparts ageless rustic charm to contemporary environments. With an indelible connection to the past, this ColorBody™ porcelain has all the intriguing imperfections of distressed wood that has been worn and weathered through the years. Each piece tells its own distinct story and effortlessly compliments modern environments where natural wood itself might be problematic due to moisture concerns. Railwood performs beautifully on vertical and horizontal surfaces in kitchens, bathrooms and mudrooms.
